Mr. Scull, member of staff of Committee on Government Operations (Senate) said he did not send a copy of the letter requesting comments because in his view it does not affect CIA because of the provision that the GSA authorities shall not apply to storage of security classified goods. If we have transportation services or facilities which are not classified, it would affect us. P.L. 152 (81st Congress) Sec. 602(d) 17 exempts CIA, among other Government agencies.

✓ If CIA is going to have a witness or statement, at the hearing, Mr. Scull should have the information by Friday, 27 April.

The hearing is next Wednesday, 2 May 1956.
